TORQUE AND TEST

TANK RENTAL

Drilling Rigs:

- Nipple Up/Nipple Down BOP's
- Change Rams/Door Seals
- Cut Casing
- Test BOP's/Full Rig
- 14 Day Re-Test
- Test Casing
- 5" / 5 1/2" / 7 5/8" Test Joints

Completion and Production

- Nipple Up/Nipple Down all size flange connections (Frac Stacks, BOP's, Flanged Iron, Wireline, Coil Tubing, etc.)
- Hydrostatic Testing
- Pump Methanol and Glycol
- Hold Backside Pressure
- Test Casing
- 5 1/2" - 7 5/8" Test Plugs/Test Mandrel 2 3/8" 2 7/8"
- Pipeline Testing

Drilling:

- Frac Tanks
- Round Bottom Frac Tanks

Completions/Production

- Frac Tanks
- Four Barrel Gas Busters

CHEMICAL

Coil Tubing/Workover Rigs/Fracs:

- Chemical Mixing Plants
- Double Filter Pods
- Transfer Pumps
- Downhole Chemicals

CONTAINMENT

6" Walled Polyurea/Geotextile Containment Berms

- 6" x 6"
- 12" x 12"
- 12" x 30"
- 12" x 50"
- 20" x 50"
- 30" x 50"

Drilling:

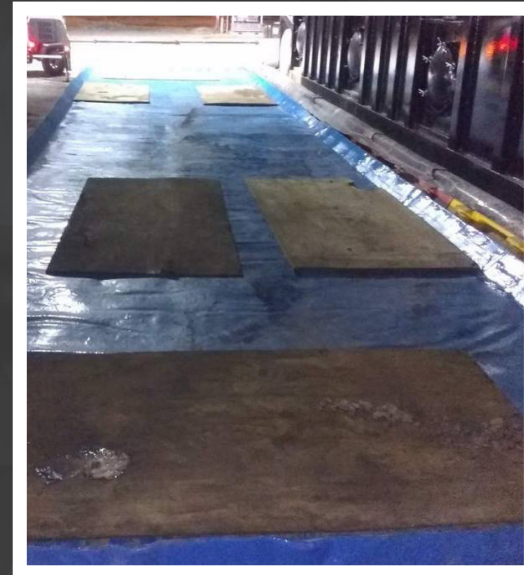

- Rig Wash
- Containments for round bottom tanks
- Roustabout
- Wash Frac Tanks

Production:

- Containments for Coil
- Containments for Frac Tanks
- Containments for Chemical Trailers
- Wash Frac Tanks

Completions:

- Containments for Frac
- Roustabout
- Wash Frac Tanks

HYDRO-EXCAVATOR SUPER-VAC

Drilling:

- Clean Tanks
- Clean Cellars
- Rig Washers

Production:

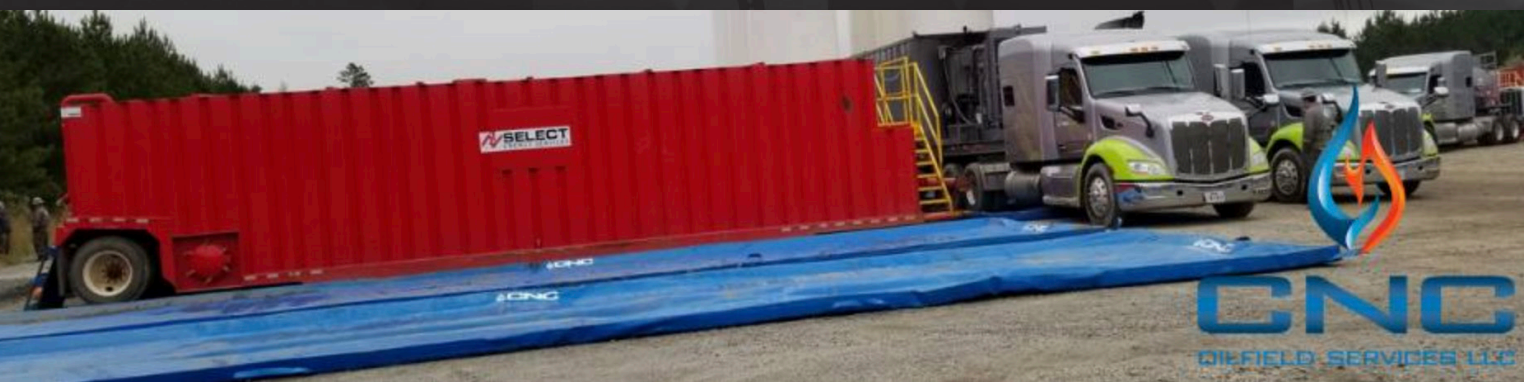

- Clean Tanks when Frac screens out
- Clean Cellars

Completion:

- Clean Frac Tanks and Gas Busters
- Clean Cellars

Construction:

- Trenching with Hydrovac
- Uncover/Expose existing Lines

TRUCKING

Types of Services:

- Lowboy
- Detach Trailer
- Roll-Tail/Step-Deck
- Vacuum Truck
- Winch Truck
- Hot Shot

Vacuum Truck:

- Empty Pits
- Pull Cellars
- Transfer Mud
- Clean Containment
- Haul Fluids

Coil:

- Vacuum Truck
 - Bring Freshwater and Chemicals
- Haul off fluids
- Winch Truck
 - Haul Frac Tanks and Gas Busters

Production:

- Vacuum Truck
 - Haul off production water
- Winch Truck
 - Setup Frac Tank
